In accordance with the directives issued by the Ministry of Youth Affairs and Sports, Government of India, and subsequently communicated via Shivaji University Letter (Ref No: NSS-1481, Dated: 31/07/2026), the National Service Scheme (NSS) Unit of Venutai Chavan College, Karad, successfully observed the "Swachhata Pandharwada" (Cleanliness Fortnight) from August 01 to August 15, 2026. As a key initiative under this campaign and on the eve of Independence Day, a comprehensive cleanliness drive was organized within the college campus on **August 14, 2026**. The drive witnessed active and enthusiastic participation from a total of 68 NSS volunteers, comprising 40 male and 28 female students, who systematically cleaned the entire college premises to honor the national festival. College professors and students participated in the cleanliness drive. The event commenced with an inspiring address by the **Honorable Principal, Dr. R. R. Jadhav**, who strongly emphasized the social significance and long-term health benefits of maintaining absolute cleanliness in public spaces. The meticulous planning, administrative execution, and successful supervision of this campus-wide drive were effectively managed by **NSS Program Officer Dr. R. P.
