REPORT on ‘Field Visit to Yashwantrao Chavan College of Science, Karad Computer science department’

A field visit to Yashwantrao Chavan College of science, Karad Computer science department was organized by Venutai Chavan College, Karad for the students of B.Com (I.T.) to Yashwantrao Chavan College of science, Karad. The purpose of this visit was to provide practical exposure to students in the Computer Lab environment.

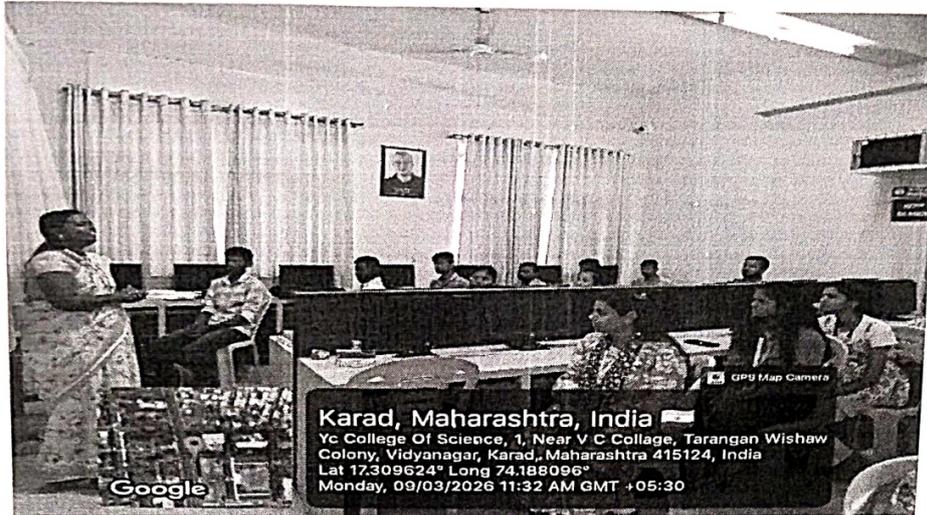

During the visit, students observed various computer systems, software applications, and lab management techniques. Mrs Panhale madam of computer science department of the host college explained how computer labs are maintained, how different software tools are used, and how practical sessions are conducted effectively.

Students gained practical knowledge of modern computer systems and the application of I.T. concepts. They also understood lab management practices and the importance of technology in education. The visit was very informative and helped students to connect theoretical knowledge with practical experience. All students actively participated and showed great interest throughout the session.

The field visit was successfully conducted under the guidance of faculty members and proved to be a valuable learning experience.
