“Trade & Commerce Awareness Quiz”

About the Quiz Program:

Venutai Chavan College Karad's Commerce department arranges the *Trade & Commerce Awareness Quiz* program. Under this departmental program quizzes will be conducted for students as per scheduled time. This quiz will be taken per semester twice in an academic year. The mode of conduct of the quiz will be online mode with the help of Google Form. This quiz's link will be made available at the department blogs and students groups. The quiz is for students' benefits and hence the topics of the quiz questions are selected on recent updates and terms related to trade and commerce. Also student's initiative and participation is welcomed for deciding the topics of the quiz questions.

Object of the Quiz Program:

- The object of the program is to spread awareness between the students regarding trade and commerce
- To keep students updated about current updates and developments in the world
- To enhance the knowledge of the students in the field of commerce
- To create curiosity about the different topic
- To promote research and develop systematic thinking process amongst the students
